# ANTI TAX AVOIDANCE STATEMENT

We are Bundy. The name behind the world's leading refrigeration appliances.

## Purpose

Bundy Refrigeration applies a zero-tolerance approach to any of its employees, contractors, representatives, suppliers and customers being involved in commissioning or assisting tax evasion.

Accordingly, Bundy Refrigeration will not, nor will anyone acting on its behalf, ever accept any proposal from any party that requests that all relevant taxes and duties are not levied as and when they are required.

Bundy Refrigeration also reserves the right to report any such requests received to tax authorities or other relevant bodies.
